** ***Assessment of Term Project***

1) Details: Prepare a term paper applying all the key dimensions of management (planning, organizing, human resource management, leadership, motivation, etc.). Students need to form teams of 5 members and the same to be informed at the beginning of the semester to the course facilitator. This team will be allotted an organization on which they will have to work. The report prepared should be presented in the classroom using the Power Point and submit a report in PDF format. Each group will be assigned 8 to 10 minutes for their presentation during the classes. 2) Criteria used to grade this task: The following criteria are the basis for evaluating: a) Report: Comprehensive, Application of management concepts, depth of the project, report presentation, on time submission b) Presentation skills: poise, clear articulation, eye contact, enthusiasm, and confidence. The students should not read the slides. 3) Task Assessor: Respective course facilitator 4) Submission: hard copy of the report needs to be submitted prior to the presentation and the ppt used to be submitted on the LMS. 5) Plagiarism if found will be penalized, hence not advised to indulge in copy pasting the stuff from the internet. Give proper references and give credit to the original creator of the content.

| | |
|---|---|
| Platform | Class conducted using pen & paper mode + e-Submission through Brightspace LMS via the Quizzes or Assignments sections. |
| Students Missing Assessment Components | • A 10-mark pen-and-paper test shall be conducted at the end of the semester during class hours or in the evening, as decided by the course coordinator.<br>• This test is intended only for students who have missed any one of the continuous assessment components due to valid reasons.<br>• If a student has missed a 5-mark Internal Assessment (IA) component, the marks obtained in the 10-mark test shall be scaled down to 5 marks and considered in lieu of the missed assessment.<br>• The test shall be comprehensive, covering the cumulative syllabus prescribed for IA1, IA2, and IA3.<br>• Course Coordinators shall mutually decide the test schedule and communicate the date to students well in advance. |
